# INSURANCE IN ANZ SMART CHOICE SUPER

This Guide details the types of insurance available to you as a member of the NTT Australia Superannuation Plan in ANZ Smart Choice Super.

No matter what stage you are at in your life, you may wish to seek professional advice to consider if insurance will provide you with an appropriate safety net.

In the unfortunate event of your death or disablement, insurance may also help ensure your family's financial future is looked after. Insurance benefits can help pay your debts and cover the cost of any unexpected medical treatment that you may need.

**This Guide is specific to the Employer Plan arrangement shown on the front cover. If you are not an employee of this Employer Plan, then please disregard and contact Customer Services to obtain the insurance guide relevant to you. Income Protection (IP) cover is not offered by your Employer Plan.**

When reading this Guide, some expressions (shown capitalised and bold when first used) have special meaning. The meaning is either explained in context or in the 'Definitions' or 'Appendix' sections to this Guide.

## WHAT IS TAILORED COVER?

ANZ Smart Choice Super gives employers the flexibility to choose a tailored insurance cover designed for their employer plan, including the type of cover provided, and the Default cover amount. Insurance fees will be tailored to your Employer Plan, and the plan design may also include different Membership Categories.

Where different Membership Categories are available, your type and level of cover may depend on the category which your Employer has advised for you. In the event that an error has occurred, and you have been established in an incorrect category, the Insurer may assess any claim against the insurance design and eligibility criteria of your current category.

At the time your account is created, your Employer is required to give us the details necessary to:

- determine your eligibility for insurance cover;
- calculate the sum insured that you are entitled to; and
- determine the insurance fee rates and any loadings that are applicable to you.

If your Employer does not provide this information, or until this information is provided, we cannot establish insurance cover in your ANZ Smart Choice Super account. If the information is not provided to us within 180 days of you commencing employment with your Employer, you may no longer be eligible for Default cover. In this instance, you may need to apply to the Insurer for cover, and it will be at the discretion of the Insurer as to whether this cover is provided to you and the terms applicable to that cover.

To ensure your details have been set up correctly by your Employer, check the details found in your Welcome Pack, or Insurance Activation Letter (as applicable) including gender, occupational category (if applicable), date of birth, types of insurance and sum insured. If you believe that any of this information is incorrect, you must advise both us and your employer immediately.

You can also view the sum insured, type of insurance and your insurance fees via [www.anz.com.au/smartchoiceaccess](http://www.anz.com.au/smartchoiceaccess).

Alternatively, you can call Customer Services on 13 12 87 for assistance with your account or to register for online access.

If you believe that you are in an incorrect membership category, you must advise both us and your employer immediately. The insurance cover negotiated by your Employer is detailed in the Appendix.

## WHAT TYPE OF COVER IS AVAILABLE?

ANZ Smart Choice Super provides access to the following insurance options. Please refer to the Appendix to determine the insurance cover that is available to you with the Employer Plan.

### DEATH AND TOTAL AND PERMANENT DISABILITY (TPD) COVER

Provides a lump sum **Benefit** if you die, suffer from a **Terminal Illness**, or become **Totally and Permanently Disabled** by injury or illness.

TPD cover is only available in combination with Death cover where the amount of your TPD cover cannot be greater than the amount of your Death cover.

### DEATH ONLY COVER

Provides lump sum, income stream or a combination of both to your beneficiary in the event of death or a lump sum payment to you, if you suffer from a Terminal Illness.

If you require Death cover without TPD cover, depending on the tailored insurance cover design applicable for your Employer Plan, you may be able to cancel the TPD cover component of the cover.

### DEFAULT COVER

This is an amount of cover provided to eligible members upon joining, up to the **Automatic Acceptance Limit (AAL)**, which is the maximum level of Default cover applying to your Employer Plan. The AAL for your Employer Plan is specified in the Appendix. Default cover can be based on a formula or on a fixed cover amount, depending on what your Employer has chosen.

The amount of your Default cover is calculated:

- when you join your Employer Plan;
- at 1 July each year;
- when your Employer advises a new **Salary** for you (where the amount of your default insurance is based on a formula including your Salary); and
- when the level, Insurance fee or formula of your Default cover is changed.

The type of Default cover and the relevant **Insurance Formula** available to you is detailed in the Appendix. The amount of your Default cover and Benefit Formula for your **Membership Category** will be included in your Welcome Pack or Insurance Activation Letter (as applicable).

Any increase in the Default cover is up to the lesser of:

- the **AAL**; and
- 25% of your Default cover on the day immediately prior to the 1st of July that your Default cover is to increase. See the Default cover definition at the back of this Guide for more information.

You can change the amount of your cover, or cancel your cover by:

- adding to it by applying for Voluntary cover
- reducing your amount of cover to a fixed amount of Voluntary cover without underwriting; or
- opting out of your Default cover at any time online, or by calling Customer Services on 13 12 87 or by submitting a written request (in a form acceptable to the Insurer) to the Insurer or your Employer – if you do this, you will not be able to obtain Default cover again in relation to the Employer Plan.

If you reduce or opt out of your cover, and later want to obtain cover, or obtain a higher level of cover, you will need to apply, provide medical and health evidence, and have your application accepted by the Insurer.

If the Insurance fees for your Default cover are paid by your Employer, to opt out of or reduce the amount of Default cover you need to speak to your Employer first, and if agreed, your employer can cancel or reduce the Default cover on your behalf.

Your Employer's arrangement to incur the cost of any fees is voluntary and consent for such an arrangement may be withdrawn at any time. If this is the case, you will receive notification and we will let you know of the options available to you.

## VOLUNTARY COVER

This is usually a fixed amount of Death or Death and TPD cover provided subject to underwriting by the Insurer.

There is no limit on the amount of Voluntary Death cover you can apply for. However, there is a maximum of \$3 million for Terminal Illness cover and \$5 million for TPD cover. Refer to the Appendix section of this Guide for further information around the **Maximum Benefit Level**.

You may need to provide evidence of your health with your application. The Insurer may impose restrictions, exclusions and/or Insurance fee loadings, or may decline your application for new or additional Voluntary cover.

If the Insurer does not accept your application for new or additional Voluntary cover, your existing cover will continue, and will not be affected by the declined application.

We will advise you in writing of the Insurer's decision. If restriction(s) and/or exclusion(s), or a loading to your Insurance fee applies to the Voluntary cover you are offered, and you would like this reviewed by the Insurer, you may need to cover the costs of any medical evidence required to have your cover re-assessed.

You can choose not to accept the Insurer's offer to provide Voluntary cover based on any Insurance fee loading, condition(s) and/or exclusion(s). If you do not accept, or respond within 21 days of the Insurer's decision, your cover will revert to the amount prior to your request.

You may be eligible for Interim Accident cover while your application is being assessed (see the 'Interim Accident cover' section in this Guide for more information).

You can apply for Voluntary cover:

- to increase the amount of Death only or Death and TPD cover;
- if you were not provided with Default cover, and would like to apply for cover;
- to fix the amount of your Death and/or TPD cover;
- to remove any **Pre-Existing Condition (PEC) Exclusion**, restrictions, exclusions or medical loadings imposed by the Insurer on your cover; and
- to re-apply for cover where cover ceased under the policy for any reason.

You may request a decrease in the amount of cover in a form acceptable to the Insurer without requiring an application or underwriting.

## WHAT HAPPENS TO DEFAULT COVER WHEN YOU OBTAIN VOLUNTARY COVER?

If your Voluntary Death only cover or Death and TPD cover is accepted by the Insurer, it will be added to any Default cover as a fixed amount, subject to the Maximum Benefit Level and any conditions, exclusions and medical loadings notified by the Insurer.

If the Insurer does not accept your application for Voluntary cover, any existing cover you hold through ANZ Smart Choice Super will continue unaffected by the declined application. When you apply for Voluntary cover, you will have the choice to apply using a:

Short Form Personal Health Statement\*:

- For all applications up to \$1 million (Death only or Death and TPD).

Full Personal Health Statement:

- For all applications of cover over \$1 million (Death only or Death and TPD).

\* Note: You may need to complete a Full Personal Health Statement if the Insurer has reviewed your Short Form Personal Health Statement and requires further details to assess your application. You can access the Short Form Personal Health Statement via [www.anz.com.au/content/dam/anzcomau/documents/pdf/anz-smart-choice-short-health-statement.pdf](http://www.anz.com.au/content/dam/anzcomau/documents/pdf/anz-smart-choice-short-health-statement.pdf)

If you are transferring your cover from another superannuation fund and the Insurer has approved the transfer, the additional Voluntary cover will be added to any cover you currently have in place, subject to the Maximum Benefit Level.

You can apply for, elect to cancel, opt out of or reduce your Voluntary cover at any time by contacting Customer Services on 13 12 87.

## LIFE EVENTS COVER

Life Events cover gives you the ability to adjust your Death only or Death and TPD cover as your circumstances change by allowing you to obtain, or increase your existing Voluntary cover without additional underwriting. To be eligible for Life Events cover, you must have been accepted for Default or Voluntary cover before the Life Event occurs and your application for an increase in your cover must be received by the Insurer within 90 days of that event taking place. Other terms, conditions and eligibility criteria apply. The increase to your cover will be applied as an additional amount of Voluntary cover.

You may apply for only one Life Event within any 12 month period, up to a maximum of three accepted Life Events applications.

Life Events if applicable to the Employer Plan are detailed in the Appendix, but may include:

- your marriage or commencement or cessation of a de facto relationship (you can make only one application with respect to marriage, or commencement or cessation of a de facto relationship).
- the birth or adoption of a child by you or your spouse.
- your child starting secondary school.
- taking out a mortgage (from an accredited mortgage provider) to purchase your first home.
- having a salary increase of at least 20% since your last salary review.

You must provide the Insurer with relevant evidence of each event.

The maximum increase available on a life event is the lesser of:

- 25% of your existing cover; and
- \$200,000,

but cannot cause your cover to exceed the Maximum Benefit Level.

Life Events cover is not available if at the time of the application:

- you have claimed or are in the process of claiming, in a waiting period for or in receipt of, a Terminal Illness, TPD, temporary disability or Income Protection benefit under any insurance policy; or
- you are aged 60 years or older as at the date of the occurrence of the life event; or
- you have previously had a Life Events cover option accepted by the Insurer for marriage, commencement or cessation of a de facto relationship; or
- you have applied for a Life Event within the past 12 months; or
- you have previously had 3 Life Events cover options accepted by the Insurer; or
- your cover has ended under this Policy.

The increased amount is based on your type of cover at the time of your application and on the same terms. The increase in cover will apply from the date the application is accepted in writing.

## COVER FOR LOW-BALANCE ACCOUNTS AND FOR MEMBERS UNDER THE AGE OF 25 YEARS

Under the Putting Members' Interests First (PMIF) legislation, unless covered by an exception, default insurance cover cannot be automatically provided to:

- members under 25 years old; or
- members who have a superannuation balance of less than \$6,000 (regardless of their age).

You may still opt in to add insurance cover to your super account or to retain your existing insurance coverage. You will receive notification explaining the changes and how you can retain your insurance cover.

Please note that an exception may apply if:

- you are an emergency services worker, or work in a 'dangerous occupation' (subject to the Trustee making an exclusion election), or
- your employer fully meets the cost of your insurance cover.

## TRANSFERRING COVER

Where you hold insurance cover in another superannuation fund and with another insurer, you may apply to have this cover transferred to your account in ANZ Smart Choice Super. If the Insurer accepts your application, the insured amount provided will be equivalent to the amount of cover provided under your previous policy. Transferred cover is subject to:

- the maximum transfer amount of \$2 million for Death and TPD cover;
- the maximum transfer amount of \$15,000 per month for Income Protection cover and not exceeding 75% of Salary with a Benefit Period of 2 years unless otherwise agreed by the Insurer in writing;
- total cover after the transfer not exceeding the Maximum Benefit Level.

Any application for an Insurance Transfer may require evidence of previous cover and will be assessed by the Insurer who has the discretion to accept, decline or defer this application. If accepted, this cover:

- is provided conditional upon cancellation of the previous cover; and any benefit paid under this Policy will be reduced by the amount of any benefit paid or payable under the Previous Cover;
- will carry across any loadings, exclusions, restrictions or limitations which applied to your previous cover, unless the Insurer has noted otherwise in the **Decision Note**;
- will be provided according to the terms and conditions of the ANZ Smart Choice Super insurance policies, including any terms and conditions contained in the Decision Note;
- is provided as Voluntary cover, where you are in an Employer Plan; and
- will be in addition to any existing cover you hold under the Policy.

To apply for an Insurance Transfer please contact Customer Services on 13 12 87. Terms, conditions and eligibility criteria apply. If you are intending on completing a rollover of your other Super accounts into ANZ Smart Choice Super you may wish to apply for the Insurance Transfer before submitting a rollover request. A whole balance rollover out of a super fund will often result in the account closing and associated insurance ceasing.

## ELIGIBILITY FOR COVER

### DEFAULT COVER

For an employee to be eligible for Default Death, Death and TPD:

- you must be a member of ANZ Smart Choice Super;
- you must not have previously been provided with Default cover in relation to your account;
- you must be aged 15 or over, and under 65 when you join<sup>^</sup>;
- you must have an account balance of \$6,000 or over<sup>^</sup>;
- we must receive an Employer superannuation contribution into your ANZ Smart Choice Super account within 180 days of the **Cover Commencement Date**;
- on the 180th day after the Cover Commencement Date you will need to have a sufficient balance to cover the cost of your insurance for the 180 days since your Cover Commencement Date. If you do not meet any of the conditions of default cover, your insurance cover will be cancelled from the date it commenced and any insurance fees deducted from your ANZ Smart Choice Super account will be refunded to your account. You will not be eligible to claim during this period;
- you must be an **Australian Resident** or holder of a **Visa** residing in Australia;
- you must not have had a claim admitted, are not in the process of claiming, are not in receipt of, are not in a waiting period for (if a waiting period applies), have not been paid, and are not entitled to be paid, a benefit for terminal illness or total and permanent disablement, under the Policy or any other policy issued by us or another insurer or from a superannuation fund<sup>\*</sup>;
- you are not in the process of claiming, are not in receipt of, are not in a waiting period for (if a waiting period applies), and are not entitled to be paid, any income support type benefit from any source, including but not limited to workers' compensation benefits, statutory motor accident benefits or income protection type benefits (including government income support benefits of any kind and benefits from a superannuation fund);
- you may receive Lifestage or Default cover a number of times during your membership, for example where you meet an exception or we are obliged to provide you with cover in order to meet a legislative requirement. This excludes default cover the Insurer provides you in a different account with respect to a different participating employer; and
- you must satisfy any additional eligibility rules that apply to your Employer Plan or Membership Category in the Employer Plan (see Appendix).

<sup>^</sup> You must provide an opt-in election if you are under 25 or have not had an account balance of \$6,000 or over unless you are covered by a PMIF exception.

<sup>\*</sup> Your Default cover will be limited to Death cover (no TPD cover) and your IP cover will be subject to a Pre-Existing Condition Exclusion, if you are eligible to receive, have received, have lodged a claim for, or have a claim pending for a TPD and/or Income Protection Benefit.

### Limited cover when Not At Work

Default cover is subject to a Pre-Existing Condition Exclusion if you were Not At Work at the time your Default cover commenced. The Pre-Existing Condition Exclusion will continue to apply until you are At Work for 30 consecutive days. See 'Definitions' section of this Guide for the meaning of At Work and Not at Work.

The Trustee and the Insurer will assess eligibility to the extent possible based on the details provided by your employer. To avoid being charged insurance fees for cover you are ineligible for, please ensure that you notify us if you are aware of any reason why you may not be eligible or contact us if you would like to discuss whether you are eligible for Default cover.

If the Trustee and/or the Insurer are told or otherwise become aware that they have accepted insurance fees for cover for which the member is ineligible, the relevant insurance fees will be refunded and no insurance cover will apply for any period during which the member was ineligible. You can elect to cancel, opt out of or reduce your Default cover at any time by contacting Customer Services on 13 12 87.

### VOLUNTARY COVER

You can apply to obtain Voluntary cover if this option is available in the design of your Employer Plan. You must also:

- be aged 15 or over, and under 65 when you apply
- be an Australian Resident or holder of a Visa residing in Australia
- be engaged in an occupation which the Insurer provides insurance cover for; and
- satisfy any additional eligibility rules that apply to your Employer Plan or Membership Category in the Employer Plan.

## WHEN DOES COVER COMMENCE?

### DEFAULT COVER

If you are eligible for Default cover (see Eligibility for cover – Default cover), it starts from:

- when you commence work with your Employer, if you are a new employee; or
- the date your Employer became an ANZ Smart Choice Super **Participating Employer** – if you were working for the Employer when your Employer Plan joined ANZ Smart Choice Super.

For members under 25 years old or who have an account balance less than \$6,000, Default cover starts:

- when you commence work with your employer, if you have provided an opt-in within 90 days of joining your employer (or under a PMIF exception).
- the day your opt-in election is received. If you have opted in after 90 days of joining your employer, **New Events Cover** applies.
- the day PMIF thresholds<sup>\*</sup> or a PMIF exception is met (no opt-in is required).

For Default cover to start, you must meet the conditions outlined in the 'Eligibility for cover' section of this Guide.

If Default cover does not commence, you may be eligible to apply for Voluntary cover.

\* When you turn 25 and your account balance has exceeded \$6,000 any time since joining the Fund.

## VOLUNTARY COVER

In addition to any Default cover you are eligible for, you may apply for Voluntary cover, subject to agreement and acceptance by the Insurer. Cover commences on the date the Insurer approves your application provided the premium for the new Voluntary cover required to cover the number of days from the **Acceptance Date** to the third premium due date, is paid by the third premium due date.

If the Insurer accepts your application subject to **Special Acceptance Terms** the Voluntary cover starts on the Acceptance Date as long as the Insurer receives:

- your signed acceptance within 21 days of the Acceptance Date; and
- the premium for the Voluntary cover required to cover the number of days from the Acceptance Date to the third premium due date, by the third premium due date.

We will send a letter to you confirming your cover and the date that your cover commenced.

If you request a decrease in the amount of your Default cover, Voluntary cover will replace your Default cover, and will commence on the later of the date of your request or the date you specified in your request.

If you request a decrease in the amount of your Voluntary cover, your new level of Voluntary cover similarly commences on the later of the date of your request or the date you specified in your request.

Transferred cover commences as Voluntary cover on the date the Insurer approves your application, provided there are sufficient funds in your account to pay for the insurance fees. We will send a letter to you confirming the date that it commences.

## REDUCING, OPTING-OUT OF OR CANCELLING YOUR COVER

You can reduce the amount of your cover, opt-out of or cancel your cover, at any time by contacting Customer Services on 13 12 87. You cannot reduce your Death Sum Insured to an amount below your TPD Sum Insured.

If you reduce, opt-out of or cancel your cover (including Default Cover), your cover may not be increased or reinstated if you wish to do so at a later time. You must apply for any increase in cover.

If you cancel your cover within the first 30 days of its commencement, some or all of the premiums in respect of any cancelled cover may be refunded to your superannuation account in some circumstances. For more information, call Customer Services.

## COVER ACCEPTANCE

Where the Insurer approves your cover or any change in cover on altered terms, your acceptance of these will be required.

## WHO IS A BENEFIT PAID TO?

As the insurance Policy is issued to the Trustee and cover is offered to you under the Policy as a member of ANZ Smart Choice Super, the Insurer will pay any Benefits to the Trustee. Once we receive the proceeds from the Insurer these will be held in the superannuation environment, in the ANZ Smart Choice Cash investment option. If you would like to switch this amount to another investment option you can do so online via [www.anz.com.au/smartchoiceaccess](http://www.anz.com.au/smartchoiceaccess) or by calling Customer Services. Upon meeting a condition of release, you will receive the benefit amount in accordance with the Fund's Trust Deed, adjusted positively or negatively, for investment earnings. We do not guarantee the payment of an insured benefit or the performance of the Insurer.

Any claims made on the Policy must be made through the Trustee as the Policy owner. Before the Trustee can pay any insurance Benefit to you or your beneficiary(ies), the claim must be accepted by the Insurer and approved by the Trustee.

The Trustee may only release a Benefit (including any Terminal Illness, TPD or Income Protection Benefit paid to the Trustee by the Insurer) where you have met a 'condition of release' under superannuation law. If the Trustee cannot release your Benefit, any proceeds will be credited to your super account and paid when you meet a condition of release.

The Trustee will pay any Death Benefit (comprising your account balance and any sum insured amounts for cover in place and current) at the claim date, to the beneficiary(ies) you have nominated in your non-lapsing nomination, unless there is no nomination or your nomination is defective or has been cancelled. See 'Nominating a Beneficiary' in the AIG for information about nominating beneficiaries and non-lapsing nominations and how the Trustee determines a claim if there is no nomination on your account.

If the Insurer rejects, reduces or defers a claim, the Trustee may reduce the Benefit payable to take into account the Insurer's refusal, reduction or deferral. However, after the Trustee has reviewed all relevant medical reports and documents that the Insurer relied upon to make its decision, and the Trustee is of the view that the claim has a reasonable prospect of success, the Trustee will do everything that is reasonable to pursue the matter on your behalf.

## PAYMENT OF DEATH AND TPD BENEFITS

### Death Benefit

A Death Benefit will be paid if you die while your cover is in place and current. See the 'When cover ceases' section of this Guide for more information.

### Terminal Illness Benefit

A Terminal Illness Benefit will be paid if you become **Terminally Ill** while your Death cover is in place and current (refer to the 'Definitions' section of this Guide for the definition of Terminal Illness).

The Terminal Illness Benefit is a maximum of \$3 million.

### **TPD Benefit**

A TPD Benefit will be paid if while your cover is in force you become Totally and Permanently Disabled.

If you have been:

- Gainfully Working; or
- engaged in Gainful Employment and on paid leave that has been approved by your employer; or
- engaged in Gainful Employment and on unpaid leave that has been approved by your employer for a period of up to 24 consecutive months;

at any time in the last 16 months prior to the Event Date, either TPD Definition 1 or TPD Definition 2 applies to you. Otherwise, only TPD Definition 2 applies to you.

TPD Definitions 1 and 2 are set out in 'Definitions of terms used in this Guide' on page 26.

### **Death and TPD cover are linked**

If you are paid a TPD Benefit, this reduces your Death cover by the amount of the Benefit paid. For example, if you have equal amounts of Death cover and TPD cover, payment of the TPD Benefit will mean that you have no further Death cover.

However, if the amount of your Death cover is greater than TPD cover, payment of the TPD Benefit will reduce your Death cover by the amount of the TPD Benefit paid.

### **TPD tapering may apply to your TPD cover**

TPD tapering is the gradual reduction of the amount of TPD cover to zero. TPD cover is tapered according to your **Age Next Birthday** on 1 July each year. If TPD tapering applies to you, more information on this can be found in the Appendix.

# WHEN COVER CEASES

Cover will end on the earliest of the following events, and depending on the event, you may not receive prior notification of your cover ceasing from either the Trustee or the Insurer. You should note that certain types of cover may not be available with your Employer Plan (refer to the Appendix for details). If your Insurance fees have not been paid in full by the third premium due date for the period from the day the cover commenced to the third premium due date, cover will be cancelled from the Cover Commencement Date and treated by the Insurer as if it had never commenced. However, cover will not be cancelled from the Cover Commencement Date if:

- you die, and have paid all Insurance fees owing up to your date of death; or
- you become Terminally Ill or TPD and you pay all fees due by the third premium due date.

‡ Refer to the section 'What happens if the Employer terminates the Employer Plan?' on page 12.

## No reinstatement of cover

Reinstatement of cover is generally not allowed without underwriting under the insurance policies, however, there may be circumstances – such as where insurance cover has ceased due to 16 months continuous inactivity or you no longer meet other regulatory requirements or an exception. If this is the case, reinstatement terms may be available and you will be informed of those terms either prior to, or at the time your cover cancels. In all other cases, if your Default or Voluntary cover is cancelled, or your cover otherwise ends, and you want to obtain insurance cover in the future, you will need to apply for Voluntary cover and provide evidence of health satisfactory to the Insurer.

## COVER CEASES AFTER INACTIVITY

Death, TPD and Income Protection cover (if applicable) will cease if we have not received a contribution or rollover into your account for a period of 16 consecutive months and you have not notified us in writing that you want the cover to continue, unless an employer-sponsor contribution or Australian Defence Forces exception applies.

We will write to you during this period of inactivity about your options to keep your cover. You will also be able to request in writing that the Trustee reinstates your cover, within 60 days of the insurance cover ceasing. Your insurance cover will be reinstated with any pre-existing condition exclusions, loadings or restrictions backdated to cessation and any insurance fees since it ceased will be collected.

## EXCLUSIONS

### DEATH AND TPD COVER EXCLUSIONS

It is important to note that the payment of any Benefit is subject to the following exclusions:

- if the event giving rise to the claim is caused directly or indirectly, wholly or partially, from **War** involving Australia, New Zealand or your country of residence;
- if you are **Imprisoned** on the Event Date or the **Date of Disablement** – applies to TPD cover only;
- if you do not satisfy the Insurer's claims requirements. See 'How to make a claim' section of this Guide;
- if the Pre-Existing Condition Exclusion applies and your claim arises directly or indirectly, wholly or partially, from a Pre-Existing Condition that existed on or before the day cover commenced or increased (in respect of the increased portion of cover only);
- if you die or become Terminally Ill or Totally and Permanently Disabled either directly or indirectly, wholly or partially as a result of an intentional or deliberate self-inflicted act within 13 months of your Voluntary cover increasing or your Voluntary cover commencing or the day Life Events Cover started, in respect of the additional cover provided;
- for anything specifically excluded from your cover; and
- if you were not an eligible person at the date cover was to commence (Default cover only) – in which case your cover will be cancelled from the date your cover was to commence and all Insurance fees paid for such cover will be refunded.

### CLAIMS WHILST YOU ARE OVERSEAS

If you submit a claim while overseas, the Insurer may require you to return to Australia at your own expense to assess your claim, including medical assessment.

## INTERIM ACCIDENT COVER

While the Insurer assesses your application for Voluntary cover, you will be provided with Interim Accident cover, subject to your eligibility for Voluntary cover (see the 'Eligibility for cover' section of this Guide) and you also reside in Australia.

The Insurer will pay an interim accident Benefit if all of the following conditions are satisfied:

- Interim Accident cover has not ceased; and
- death or TPD or Total Disability arises solely due to an **Accident**.

An interim accident **Benefit** will only be paid once. If you are applying for an increase in cover, Interim Accident cover is only provided in respect of the increased portion of cover.

The interim accident Benefit payable is the lesser of:

- the amount of Voluntary cover applied for;
- the difference between any existing Voluntary and/or Default cover and the amount of Voluntary cover applied for;
- the Maximum Benefit Level; and
- an amount that the Insurer would potentially accept according to their underwriting rules, which may be nil.

Interim Accident cover begins on the date a completed application for insurance is received by the Insurer, and ends on the earliest of:

- the date the cover applied for starts;
- the date the application is declined;
- if the Insurer accepts the application subject to **Special Acceptance Terms**, the 22nd day after the relevant Acceptance Date;
- the date you cease to be an eligible person or a member of ANZ Smart Choice Super;
- the date your application is withdrawn;
- 90 days after the commencement of Interim Accident cover;
- the date the Insurer cancels Interim Accident cover as allowed or required by law;
- the date you reach the Benefit Expiry Age relevant to the cover applied for; or
- the date the Policy is terminated.

There is no separate Insurance fee for Interim Accident cover. If the Insurer accepts your application for Voluntary cover, Insurance fees will be charged from the date Voluntary cover starts. If the Insurer declines your application for cover, no additional Insurance fees will be charged for the period in which Interim Accident cover was provided.

No Benefit will be payable under Interim Accident cover if the injury or illness arises directly or indirectly from:

- War;
- imprisonment (except in respect of Death);
- an **Intentional Self-Inflicted Act**; or
- a Pre-Existing Condition.

## CONTINUATION OF COVER

If your Employer notifies us that you have left employment with them, your account will no longer be linked to your Employer and your Default and Voluntary cover will be converted to a fixed amount of Choose Your Own cover. The cover amount will be equal to the amount of cover held on the date that you left your Employer. Where your cover is converted to a fixed amount of Choose Your Own cover, your Insurance fees will be based on the rates for Choose Your Own cover (rather than the tailored rates that apply to your Employer Plan) and will be effective from the date we process your conversion to Choose Your Own cover or an earlier date.

**You can use your ANZ Smart Choice Super account with your new Employer by using the Choice of Fund Nomination form. You can obtain this form from our website at [hub.anzsmartchoice.com.au/forms](https://hub.anzsmartchoice.com.au/forms) > Downloads – important documents or by contacting Customer Services.**

### **What happens if the Employer terminates the Employer Plan?**

At a future date, the Employer Plan in ANZ Smart Choice Super may be terminated. This may occur for various reasons including, but not limited to, a decision by the Employer to establish a new or replacement default superannuation plan, or the cessation of the Employer's business.

Once the Trustee receives an official written request from your Employer to terminate the Employer Plan in ANZ Smart Choice Super, you will receive a letter from the Trustee advising you of this and the implications for your insurance cover; importantly, whether your tailored cover has been converted to Choose Your Own cover or whether your insurance cover has ceased and from which date.

Where the Employer terminates the Employer Plan and your tailored cover has been converted to Choose Your Own cover, any insurance cover that you held in the Employer Plan will convert to a fixed amount of Choose Your Own cover from the date the Employer Plan terminated. The amount of Choose Your Own cover will be equal to the amount of any Voluntary cover plus any Default cover applicable to you based on the type of cover you held immediately prior to the date the Employer Plan terminated.

### **What happens if you no longer meet the eligibility requirements of your Membership Category?**

If you no longer meet the eligibility requirements of your Membership Category, any insurance cover that you hold will convert to Choose Your Own cover from the date you no longer meet the eligibility requirements. The amount of Choose Your Own cover will be equal to the amount of any Voluntary cover plus any Default cover applicable to you based on the type of cover you held immediately prior to the date you left your Employer.

### **What happens if the Employer Plan ceases to satisfy the conditions for the provision of Tailored cover?**

The provision of Tailored cover is subject to the following conditions:

- the Fund must be the default fund under Choice of Fund legislation for the Employer;
- the Insurer is the only insurer under the Employer Plan;
- the Membership Categories within the Employer Plan must be clearly defined;
- the Insurance Formula applicable to each Membership Category must be clearly defined; and
- there must be at least 50 insured members covered in the Employer Plan at any time, unless the Insurer agrees otherwise in writing.

Any insurance cover that you hold in the Employer Plan may be terminated by the Insurer if the conditions above are not satisfied at all times. If this occurs, your insurance cover in the Employer Plan terminates and converts to Choose Your Own cover on the date the Employer Plan ceases to satisfy the conditions above. The amount of Choose Your Own cover will be equal to the amount of cover immediately prior to the date you left your Employer.

### **What is the effect of conversion to Choose Your Own cover?**

Where your cover is converted to a fixed amount of Choose Your Own cover, your Insurance fees will be based on the rates for Choose Your Own cover (rather than the tailored rates that apply to your Employer Plan). This change in your insurance fee will be effective from the date we process your delink.

The rates applicable to Choose Your Own cover are generally higher than rates that apply to tailored employer plans. This means the cost of your cover will generally increase in the event that your Employer notifies us that you have left employment with them.

The rates applicable to Choose Your Own cover are based on your age, gender, type of cover, your occupational category and amount of cover.

If your occupational category is not known and you or your Employer do not tell us otherwise, your insurance fee will be calculated in line with premiums for the 'Light Blue collar' occupational category. You can apply to change your occupational category which will impact on the cost of your cover. Where your occupational category is known this will be retained even after you are no longer linked to your Employer.

This will determine the loadings that are applied to your Insurance fees. You can contact us at any time to advise us of the occupational category that is applicable to you.

Any change to your Insurance fee loadings will be applied from the next business day after the Acceptance Date.

Choose Your Own rates are included in the ANZ Smart Choice Super for employers and their employees Insurance Guide for Standard Employer Plans, which you can find on our website at [www.anz.com.au/smartchoicesuper](http://www.anz.com.au/smartchoicesuper) > Downloads – important documents or by calling Customer Services.

### Cover during paid and unpaid leave

Provided Insurance fees continue to be paid (and, for Death cover and TPD cover, provided you are an Australian Resident), cover continues when you are on:

- paid **Employer Approved Leave**, including sick leave, parental leave, annual leave and long service leave; or
- unpaid Employer Approved Leave.

### Transfer of Choose Your Own cover within the ANZ Smart Choice Super suite

If your cover has previously been converted to a fixed amount of Choose Your Own cover and you subsequently become a member of ANZ Smart Choice Super and Pension, you may request to transfer your Choose Your Own insurance cover to the ANZ Smart Choice Super and Pension Retail Division. If the Insurer accepts your request, your cover will be transferred as a fixed amount of Choose Your Own cover. TPD and Income Protection cover are not available in the Pension Division. Income Protection is also not available through the Plan. Any transfer of cover to ANZ Smart Choice Super and Pension will include any previous conditions, restrictions, limitations and/or loadings.

### Repayment of Benefits

If, for any reason, it is determined that a Benefit paid was not actually payable under the terms of the insurance policies, all or part of the Benefit must be repaid.

## TAX AND STAMP DUTY IMPLICATIONS

Where a tax deduction is available under the applicable laws in respect to the Insurance fee, the benefit of that deduction will be passed on to you, provided that the Fund has received the benefit of that deduction and you remain a member of the Fund at the time the Benefit is credited to your account.

Benefit payments under Income Protection cover are generally considered to be income replacement, and are treated as assessable income. Therefore, the applicable Pay As You Go (PAYG) tax will be deducted before any payment is made to you.

This information is a guide only, and is not tax advice. We recommend that you seek professional tax advice specific to your individual circumstances from an independent tax adviser or registered tax agent.

## HOW TO MAKE A CLAIM

In the event of a claim, the process has been made as easy as possible.

For more information about making a claim:

- contact Customer Services on 13 12 87
- email Customer Services at [smartchoice@insigniafinancial.com.au](mailto:smartchoice@insigniafinancial.com.au)
- visit the ANZ website at [www.anz.com.au/superclaims](http://www.anz.com.au/superclaims)

The Trustee must be notified in writing of any claim as soon as it is reasonably possible to do so. For a TPD claim, this notification should occur within 30 days of the Date of Disablement. If notice is not received within the time specified, the Benefit may be reduced or refused to the extent that assessment of the claim is prejudiced.

We will send claim forms to you or your estate within seven days of us receiving notice of a claim. This does not constitute an admission of liability for any claim lodged.

Once we receive the proceeds from the Insurer these will be held in the superannuation environment, in the ANZ Smart Choice Cash investment option. If you would like to switch this amount to another investment option you can do so online via [www.anz.com.au/smartchoiceaccess](http://www.anz.com.au/smartchoiceaccess) or by calling Customer Services. Upon meeting a condition of release, you will receive the benefit amount in accordance with the Fund's Trust Deed, adjusted positively or negatively, for investment earnings.

If you submit a claim whilst overseas, the Insurer may require you to return to Australia (at your own expense) in order for your claim to be assessed.

## SUBMITTING A CLAIM

For a claim to be paid, proof in a form subject to the Insurer's verification must be provided for all of the following:

- where you were accepted under Default cover or transfer terms, proof that both you and your Employer met all of the relevant requirements;
- your disability or other entitlement to claim the applicable insured Benefit;
- your age and gender (as relevant);
- your Salary and, if applicable, pre-disability Salary;
- any relevant payments during the period Benefits are payable (e.g. workers compensation);
- where applicable, an original or certified copy of the death certificate; and
- proof of identity (to the Insurer's satisfaction), including a certified copy of your driver's licence, passport, birth certificate and other documentation as required.

Payment of the claim is conditional upon you or your Employer establishing entitlement by:

- providing medical reports from a treating **Medical Practitioner**;
- when reasonably required by the Insurer (and at the Insurer's expense) being examined by a Medical Practitioner the Insurer nominates;
- providing pathology, blood tests, x-ray or other appropriate evidence;
- providing financial information reasonably required;
- providing ongoing claim documentation; and
- providing an authority to obtain further information reasonably required.

When reasonably required by the Insurer (and at their expense), you may be required to:

- undergo vocational assessment and/or rehabilitation;
- be interviewed; and/or
- agree to an audit of your financial circumstances.

## DUTY TO TAKE REASONABLE CARE

### The duty to take reasonable care

When applying for insurance, you have a legal duty to take reasonable care not to make a misrepresentation to the Insurer.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

### If you do not meet your duty

Not meeting your legal duty can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where the Insurer later investigates whether the information given to them was true. For example, the Insurer may do this when a claim is made.

### About this application

When you apply for life insurance, the Insurer conducts a process called underwriting. It's how they decide whether they can provide cover, and if so, on what terms and at what cost.

The Insurer will ask questions they need to know the answers to. These will be about personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information given to the Insurer in response to their questions is vital to their decision.

When you apply for insurance benefits through a superannuation fund or ask to extend or make changes to existing insurance benefits, the Trustee may pass on to the Insurer personal information you provide to the Trustee. You also therefore need to take reasonable care not to make a misrepresentation when providing this information to the Trustee.

### Guidance for answering the Insurer's questions

You are responsible for the information you provide to the Insurer. When answering their questions, you should:

- Think carefully about each question before answering. If you are unsure of the meaning of any question, please ask the Insurer before you respond.
- Answer every question.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it. Please don't assume the Insurer will ask others such as your doctor.
- Review your application carefully. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections).

### Changes before your cover starts

Your duty to take reasonable care not to make a misrepresentation continues until the time your insurance cover starts.

Before your cover starts, the Insurer may ask you about any changes that mean you would now answer their questions differently, as any changes might require further assessment or investigation.

### Notifying the Insurer

If, after your cover starts, you think you may not have met your duty, please tell the Insurer immediately and they will let you know whether it has any impact on your cover.

### Telephone contact

After you submit your application, the Insurer may contact you by phone to collect any information missing from your application. The information you provide will be recorded and used in the assessment of your application for insurance cover. The need for you to take reasonable care not to make a misrepresentation to the Insurer before the contract of insurance is entered into also applies during any phone contact with the Insurer.

### If you need help

It's important that you understand this information and the questions the Insurer asks. Ask the Insurer for help if you have difficulty answering their questions or understanding the application process.

If you're having difficulty due to a disability, understanding English or for any other reason, help is available and can be provided if required. You can have a support person you trust with you.

### What can the Insurer do if the duty is not met?

If you do not take reasonable care not to make a misrepresentation, there are different remedies that may be available to the Insurer. These are set out in the *Insurance Contracts Act 1984 (Cth)*. They are intended to put the Insurer in the position they would have been in if the duty had been met.

For example, the Insurer may do one of the following:

- avoid the cover (treat it as if it never existed)
- vary the amount of the cover
- vary the terms of the cover.

Whether the Insurer can exercise one of these remedies depends on a number of factors, including all of the following:

- whether you took reasonable care not to make a misrepresentation. This depends on all of the relevant circumstances. This includes how clear and specific the Insurer's questions were and how clear the information they provided on the duty was
- what the Insurer would have done if the duty had been met – for example, whether they would have offered cover, and if so, on what terms
- whether the misrepresentation was fraudulent
- in some cases, how long it has been since the cover started.

Before the Insurer exercises any of these remedies, they will explain their reasons, how to respond and provide further information, and what you can do if you disagree.

## INSURANCE RISKS

As your Employer has included insurance as part of its superannuation arrangements, under ANZ Smart Choice Super, there are a number of insurance risks you should be aware of:

Your insurance cover could be voided or the terms changed if you make a misrepresentation to the Insurer, as described in the 'Duty to take reasonable care' section in this Guide;

- if the Insurance fees are not paid to the Insurer within the time limits under the Policy, the Insurer may cancel or terminate the insurance cover by written notice to the Trustee without notice to you;
- If you are transferred to another super fund or to the Australian Taxation Office (ATO) as lost or unclaimed monies, your cover will cease (see the AIG for more details);
- the amount or type of insurance cover selected by your Employer may not be sufficient to provide adequate insurance cover in the event of **Injury or Illness**;

- your Insurance fee or benefit may be adjusted if your age is mis-stated;
- your insurance cover could be voided or the terms changed if you make a misrepresentation to the Insurer, as described in the 'Duty to take reasonable care' section in this Guide;
- if you have been paid a TPD Benefit and have residual Death cover remaining you may wish to consider maintaining some money in your super account to keep the account active and to ensure there is sufficient balance to pay any insurance fees;
- you should be aware that if you are on claim at the time of a cover increase, you may not be entitled to the increased cover amount. Further, you should refer to the definition of At Work for the employment absence types that will entitle you to increases in cover. In certain cases, Limited Cover will apply if you are Not At Work.
- you may not be paid a benefit because an exclusion or restriction applies, based on your personal circumstances;
- Insurance fees may increase over time; and
- the Trustee relies on information provided by your Employer about you at the time that you are admitted into ANZ Smart Choice Super, including the appropriate category of membership, as well as changes in your information over the course of your membership, for example changes in salary. Some of the information your Employer provides may determine your benefits according to your eligibility. Where any information is found to be inaccurate, the Trustee will not be responsible for the inaccuracy or any reliance on it. Inaccurate information may result in eligibility being denied or benefits being declined.

You should check your insurance cover with your Employer to ensure your insurance accurately reflects your current employment details.

## ANNUAL INSURANCE FEES

### CALCULATION OF INSURANCE FEES

Insurance fees are generally based on the type of insurance cover provided, the amount of cover, your age, gender and any applicable medical loadings the Insurer applies.

For Tailored cover, alternative and/or additional factors may apply based on the Insurer's assessment of your Employer Plan.

The Insurance fee you pay for cover commencing when you join will be advised in your ANZ Smart Choice Super Welcome Pack or Insurance Activation Letter (as applicable). Your Annual Statement will also show the amount of Insurance fees you have paid. You can also contact Customer Services at any time for further information.

The cost of cover may change in the future. We will notify you if this occurs.

From the Insurance fees paid to the Insurer, the Insurer may pay insurance administration expenses to the Administrator of the Fund for any insurance administration services the Administrator provides to the Insurer.

## HOW YOUR INSURANCE FEES ARE PAID

Insurance fees are deducted monthly in advance from your account, proportionately across your investment option(s) in line with your investment strategy.

If you cancel your insurance cover or leave ANZ Smart Choice Super you will be entitled to a refund of a proportion of your last fee payment (provided your Insurance fee payments are up to date). The refund is calculated based on the date of account termination to the first business banking day of the following month. Any outstanding Insurance fees will be collected before your account is closed.

If insurance cover was provided to you as default cover, you can request to cancel it and request for the deducted premiums to be refunded back into your superannuation account, provided you do this within 30 days of the Cover Commencement Date.

Note that if you request a refund of the insurance fees, you are not considered to have been insured during the period between the cover commencement and cancellation.

If your Employer currently pays your Insurance fees for you, they will first be deducted from your account balance and then reimbursed by your Employer through additional contributions. Your Employer's arrangement to incur the cost of any fees is voluntary and consent for such arrangement may be withdrawn at any time. If this is the case, you will receive notification and we will let you know of the options available to you.

If you leave your Employer, the arrangement for your Employer to pay your premiums will cease. This includes that you may not receive reimbursement for Insurance fees deducted before you left your Employer, where your account has not yet received this reimbursement before the date of ceasing employment.

Arrangements for Employers to pay Insurance fees generally apply only to the Default cover provided by your plan. If you subsequently apply for and receive Voluntary cover in addition to your Default cover, your Employer will generally not reimburse you for the cost of the Voluntary cover. If your Voluntary cover replaces your Default cover, then your Employer will generally no longer reimburse the cost of any of your cover.

Exceptions apply for insurance only members, such that the deduction of insurance fees will await the Employer's additional contributions and the Employer may not withdraw their consent to incur fees in respect of such arrangements except with our approval\*.

\* Where the Employer withdraws their consent to either incurring fees in respect of an insurance only arrangement or to no longer include an insurance only arrangement for the Employer Plan, you will be provided with prior written notification and advised of any implications upon your insurance.

## WHEN CAN THE INSURER CHANGE THE RATES FOR YOUR INSURANCE FEES?

The Insurer may change the Insurance fees at the conclusion of any rate guarantee period by providing written pre-notification, or at any time if any of the following events occur:

- if Australia, New Zealand or your country of residence is involved in War, whether declared or not;
- if a change in the Insurance fees is required due to legislative changes such as new or increased taxes, duties or new government charges;
- where there is a fundamental change in the risk that the Insurer priced;
- if the Insurance fees are not paid to the Insurer within the time limits under the Policy, the Insurer may cancel or terminate the insurance cover by written notice to the Trustee without notice to you;
- the Insurer may also change your Insurance fees if you fail to comply with your Duty to take reasonable care; and
- where the Insurer is unable to secure reinsurance.

The Insurer may also change your Insurance fees if your age, smoking status, occupational status, and gender have been mis-stated, or if you advise us of a change.

We will write to you to inform you of any increase to the rates for your Insurance fees.

# INSURANCE FEE SCHEDULE

## HOW TO CALCULATE YOUR ANNUAL INSURANCE FEE (PREMIUM)

The premium you pay for Death only or Death and TPD may be dependent upon some or all factors such as your age, gender, type of cover, and amount of cover. The following formula shows how to calculate annual premiums using the relevant unitised rates from the table below.

$(\text{Premium rate} \times \text{Sum Insured}) \div 1,000 = \text{annual Insurance fee (premium)}$

The cost of your insurance cover may differ to the premium rates shown in the table below as the rates that will apply to you may be affected by medical or other loadings applied by the Insurer and are indicative only.

The premium rates shown are inclusive of any applicable taxes that may be charged.

### For example:

John has \$300,000 of Default Death and TPD Cover.

At 30 June, John is 38 years old. His next Birthday is on 1 May, at which time he will be 39. As John's Age Next birthday is 39, the applicable premium for his cover will be:

Death: \$0.28

TPD: \$0.18

As his level of cover is \$300,000, the annual Insurance fee that he will pay is:

$[\$300,000 \times (0.28 + 0.18)] \div 1,000 = \$138$
